

NATIONAL BREED SHOW MILKING TRIALS

30 June 2012 Judge: David Brace

JUDGES COMMENTS:

It was very pleasing to judge the 40th AN National breed show, especially as I was Chairman of the Society for ten years in it's early days. There was a good entry in most classes of high quality stock which were a pleasure to judge. The show catalogue is a work of art and reminded me of the wonderful AN's I have been privileged to see during these 40 years.
